A potluck lunch is an absolute necessity for the good cooks and eaters of the Shiba fancy. Be generous in your contributions, as we will all be very hungry. Types of dishes to bring:

- Last Name that begins with the letter **A through M - Bring a main dish**
- Last Names starting with **N to Z - Bring a side dish**

There is no electricity at the park, so please provide your own heat or refrigeration. Tableware will be provided free of charge while canned sodas and bottled water will be available for a 50 cent donation.

The raffle and silent auction are the high points of the day. Generous donations of Shiba memorabilia, crates, leashes, and innumerable doggie items will be available. A portion of the raffle revenue goes to a local Shiba Rescue group. Anyone wishing to contribute items to the raffle is encouraged to do so. For more info, contact SFNCraffle@gmail.com.

Don't forget to bring confinement for your dog when you no longer wish to hold him on leash. There is plenty of shade in which to set up crates or exercise pens. Also bring your own lawn chairs.
